

AEA CHAIRPERSON/DE LIAISON AND MEETING DATES

Each of the 12 area education agencies (AEAs) facilitates monthly meetings for all superintendents of the public school districts served by an individual AEA. A representative from each of these 12 superintendents' groups serves on the Superintendents' Advisory Council.

The monthly meetings provide opportunities for the superintendents to discuss common issues, to share ideas and solutions, to provide guidance and advice to the AEA administrator regarding needed services and to hear and discuss presentations on various educational matters. A Department of Education liaison is present at each superintendents' meeting to share communications from the Department.
